

Dear Parents/Guardians,

With March Break having been moved to April, March is looking to be a long month here at school. To help lift our spirits and get us through, the Luke 4:18 Committee at Our Lady of the Rosary have organized a March Madness Spirit week. The spirit week will have theme days each day along with a variety of classroom activities (games and crafts) that are sure to keep students happy and bring our school community together.

Please see our schedule below so that you can help your child participate in our theme days.

Thank you for your continued support of our initiatives  
Luke 4:18 Committee
