

# YCDSB Student COVID-19 Daily Screening Confirmation

---

*Updated September 7, 2021*

York Catholic District School Board students are required to perform daily COVID-19 screening using the [York Region Public Health Screening Tool](#) every day before coming to school for in-person learning. Daily confirmation of a completed/passed screening is also required for the first two weeks of school.

Each day your child comes to school from Sept. 8 - 21, please:

1. complete the daily screening tool attached
2. sign below to confirm that your child has passed the screening
3. send the signature page to school with your child

This page will be sent back home with students each day so it can be signed again and returned.
