Prayer for the End of the School Year

At the end of this school year we give thanks to God:

For all the teaching and learning that has taken place in our school, both in and out of the classroom;

For the talents and gifts that have been shared and the challenges that have been faced;

For the burdens that have been lifted and the hurts that have been healed;

For the respect and care that has been given.

We give thanks for the friendships that have just begun and for those that have grown.

For the faith that has been lived in our daily struggles;

For the hope that has lifted our hearts on the dark days, And for the love that has kept us going.

We give thanks for the community that we are, and we ask you Lord to bless our students as they complete their final year of elementary school.

May your Spirit inspire them with confidence and calmness and leave them with memories to cherish.

Pour out your love on us that we may continue to share our God given gifts with the world and continue our learning journey. We make this prayer through Christ our Lord. Amen

YCDSB Land Acknowledgement

We are gathered on the ancestral lands and waters of all Indigenous Peoples, who have left their footprints on Mother Earth before us.

We respectfully acknowledge those who have walked on it, those who walk on it now, and future generations who have yet to walk upon it.

We pray to the Creator for strength and wisdom that all may continue to serve as stewards of the Earth.

Before they were Graduates

Grade 8 just wouldn't have been the same...

"if it was not for the support between our peers and the loving inspiration of our teachers that have made this year memorable."

"if I didn't have my best friend with me."

"if we didn't have one another."

"IF I HADN'T MET SO MANY PEOPLE THROUGHOUT THE YEAR AND MADE SO MANY MEMORIES WITH THEM."

"IF WE DIDN'T HAVE UNIQUE EXPERIENCES, THAT PROVIDED DIFFERENT OUTLOOKS ON WHAT IT MEANS TO BE A COMMUNITY."

Grade 8 just wouldn't have been the same...

"if the laughter and chatter in the halls suddenly disappeared. If our class was quiet all the time and didn't have a touch of chaotic energy."

"IF WE DIDN'T HAVE SUCH A FUNNY AND ENERGETIC CLASS!"

"if we never heard the other classes outside our door chatter and roar in excitement whenever good news came our way."

"if I wasn't surrounded by the people I trust, love and care about the most."

"If the teachers didn't brighten up the classrooms with their positive energy."

"without amazing friends that made us happy and smile everyday."
