Date: 11/1/2021
Re: Our School Virtual Open House

It is already that time of year when our Grade 8 students begin exploring their transition to secondary school. While we cannot meet with you in person at this time, we would like to welcome you to our **St. Elizabeth Catholic High School Grade 8 Open House and Information Session**. Our Virtual Open House will be held **Monday, November 15, 2021 at 7:00 PM**.

Saint Elizabeth Catholic High School is known for our exceptional programs, including our *Arts Connected - Regional Arts Program*, our unique *Smart Start* program and our extra-curricular activities and sports programs. We are honoured to share our school with you.

This year, we will be posting a general overview video which features some of what our school has to offer from the voices of our students. School administrators and Department Heads will be available live in individual chat sessions to answer questions and get to know our future students and their families. Registration information will be made available at that time.

Our Open House will get underway on Monday, November 15 at 7:00 P.M.

Here is the link to our school website. The Open House will be live on this link at 7:00 PM
The Open House will remain available on the school website.

- Please note that in order to participate in the chat sessions with Department Heads, parents/students will have to use an email address associated with a 'Google Account.'
