RE: Farewell Message from Principal

Dear Our Lady of the Rosary CES Community,

As I sit down to write this message, my heart is filled with gratitude and a touch of bittersweet emotion. After more than five incredible years at Our Lady of the Rosary CES, I have been given the opportunity to serve another school community within the YCDSB. While I am excited for this new journey, I will deeply miss the warmth, energy, and dedication that make this school so special.

Each day here has been an absolute privilege—watching our students grow, learn, and achieve beyond expectations, working alongside an extraordinary team of caring educators, and partnering with families who give their all to support our school's success. Together, we have celebrated milestones, overcome challenges, and built a place where kindness, respect, and curiosity are the constant.

I want to express my deepest appreciation to every student who has brought joy to our hallways, every teacher, early childhood educator and educational assistant who has inspired with passion, every parent who has been a vital part of our school's journey thus far, our wonderful members of the OLR Catholic School Council, and both Trustee Jennifer Wigston and Fr. Augusto for their enduring support. Your collective dedication has shaped Our Lady of the Rosary CES into an environment where learning is not just about books but about building character and confidence. I would also like to thank Mr. Kendall Myler and Mr. Brent Matthews for their leadership, in my absence, at Our Lady of the Rosary CES.

Though my time here is coming to an end, the memories and lessons I have gained will stay with me forever. I know that Our Lady of the Rosary CES will continue to flourish under the new leadership of incoming principal, Mr. Robert Caruso, and I encourage you all to keep working together to make this school even stronger.

Thank you for making these years some of the most fulfilling of my life. It has truly been an honor to be your principal.

With gratitude and warm wishes,

William H Kwon
